Durabilidad (Martindales) · > 50.000 ciclos

Resistance to rubbing · 4-5 dry/wet

Resistencia al frotamiento · 4-5 seco/húmedo

UV Resistance · 1.000h

Resistencias UV · 1.000h

Necessary care · The OGO Outdoor Product does not need to be removed. Remove excess dirt with absorbent paper, then use a soft bristle brush and apply soap and water in circular movements, rinse with a hose at medium to strong pressure and allow to dry. We do not recommend treating with bleach or harsh chemicals as these will damage the fabric.

Cuidados necesarios · El Producto OGO para el exterior no requiere ser desenfundado. Quitar el exceso de suciedad con papel absorbente, posteriormente utilizar cepillo de cerda suave y aplicar agua y jabón en movimientos circulares, enjuagar con manguera a presión media a fuerte y dejar secar. No recomendamos el tratamiento con lejía ni productos químicos agresivos, ya que dañarían el tejido.
