

Perla

Designed by OGO Furniture

Collective

Perla

They say that pearls are a timeless classic that's always in fashion. With that in mind, at OGO, we have created a timeless, simple, and understated piece. Colourful pearls to brighten up any space. Available in a wide range of fabrics and shades for the Open Air collection. If used as a table or in a high-traffic common area, we recommend the Compact option, available in size L.

 Splash!

Filling for Agora 3D
100% BIOPS PES Filling

Composed of biomass beads obtained from plant waste. Lightweight and resistant. Suitable for pool use.

Filling for other fabrics
Mixture (70% shredded foam & 30% BIOPS PES)

A mixture that brings comfort and sustainability. Ideal for outdoor use, not suitable for pool use.

Filling options for Perla Compact L
High-density, 30 kg/D foam filling

Compact foam that guarantees durability and resistance, maintaining its shape over time. For indoor spaces and covered terraces.
